

Health Services of North Texas is no longer offering walk-in, asymptomatic COVID-19 testing.

If you are experiencing respiratory symptoms, running a fever, or feeling ill, please schedule a sick visit by calling 940-381-1501 or logging onto our website at healthservicesntx.org to request an appointment. At that time, the medical provider will determine if a COVID-19 test is needed.

As of 11/19/2020, HSNT has identified these additional sources that may be able to provide COVID-19 testing. **Please verify all information as it changes rapidly.**
